2. Question DoD #1902 Terrorist Threat Assessment Rating
The HSA JCSG recognizes that DFAS normally defines the following 24 locations: Arlington, Cleveland, Columbus, Denver, Kansas City, Indianapolis, Charleston, Dayton, Lawton, Lexington, Limestone, Norfolk, Oakland, Omaha, Orlando, Pacific, Pensacola, Rock Island, Rome, San Antonio, San Bernardino, San Diego, Seaside, and Saint Louis. Based on your responses to the Capacity Data Call #1, the HSA JCSG has included the following additional locations: Cleveland Bratenahl, Mechanicsburg, Patuxent River, Pensacola Saufley Field, Red River Army Depot, and Southbridge.

For Question DoD #1902, we received N/A for each data element for Kansas City and no responses to any data elements for Mechanicsburg, Red River Army Depot and Southbridge. Please provide the terrorist threat assessment ratings for these locations. Additionally, if not available, provide rationale explaining why the location does not have a terrorist threat assessment rating.

DFAS RESPONSE:

No terrorist threat assessment ratings exist for Mechanicsburg, Red River Army Depot, and Southbridge. Ratings do not exist for following reasons:

Mechanicsburg. DFAS has only one employee at this location.

Red River Army Depot. This is an Army location.

Southbridge. DFAS has no personnel at this location. I
