Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Diane Taft

- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Jerry Reid

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Operation KEEP CANNON Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,
(signature and address)

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, in addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely, W. M. Robertson

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Nancy Roberts

Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,
(signature and address)

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Mona Pomeroy

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Laura Lockett

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Mary Young

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Monie W. Young

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

TONY L. EISENBRAUN

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Clovis, NM 88101

Subject: Cannon AFB ranking and inclusion on the closure list

I am a retired fighter pilot with over 4200 hours of flying time and I would like to address two areas that I believe were scored improperly.

AVAILABILITY OF AIRSPACE

Cannon owns its MOAs/Range and the wing schedules its requirements prior to releasing them to other units; the same can't be said for other wings that must share their airspace with multiple agencies. I believe that the cost of evacuating your aircraft and people five or six times a year for hurricanes and tropical storms were not figured into the equation. Barry Goldwater is an excellent range; however, when your mission is cancelled because endangered Sonora Pronghorn Antelope are grazing in you target area probably wasn't included either.

SUITABLE AUXILARY AIRFIELD

During three tours totaling nine years I did not divert once due to weather or runway closure, two runways make a difference! The three closest divert fields are less than fifteen minutes away and take 800 pounds or less of fuel to reach.

In closing, I would like to say that whether due to flawed reporting, computations or internal USAF politics the country is about to lose an outstanding asset.

John W. Sides, Jr. Lt Col (ret)

BRAC Commission

JUL 15 2005

Received

operation KEEP CANNON Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,
(signature and address)

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: Florence P. Thomas

PS I moved here to be with my military family. Please don't make me move again. I am 96 years old. Thank you.

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Pearl Miller

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

operation KEEP CANNON Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Aubrey Bentley

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

John Queen

BRAC Commission

To Whom It May Concern

I would like you to consider taking Cannon Air Force Base, New Mexico off the BRAC list for the following reasons:

1. It would be more cost effective to fly planes to the Melrose Bombing Range from Cannon than from other bases. Reason for this would be the cost of fuel and they would get more bombing training runs in than if they were to fly from another base. They would only get in one or two runs before having to return to their base for fuel.

2. The local community depends on the weather radar at the base for severe weather warnings. If the base were to close we would have to either man the weather radar ourselves or depend on Amarillo, Lubbock or Albuquerque for these warnings.

3. Our retirees for about a 200 mile radius depend on the base for their medical, prescriptions, ID cards and renewing their DEERS documentation.

4. The retirees also come to the base to shop at the base commissary for discount groceries and when they are at the base do other shopping in the community.

5. Last, the base and the community have one of the greatest relationships for military and civilians. It would be a loss to lose this wonderful relationship. Cannon and Clovis have had this relationship for the past 60 years and it grows every year.

Your consideration in taking the above reasons for keeping Cannon open is greatly appreciated.

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Terry Reid

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: Terry Reid

PS We need Cannon and Cannon needs us! We would loose too many wonderful people if the base were to close. Over half of the people at church stood up when asked if their jobs would be affected by the closing. Half of my family depends upon the commissary and BX. My job would probably be eliminated as well due to the decline in the real estate market. The families that would be transferred to higher cost of living areas would be affected - not to say anything about the atmosphere where they would be living. Clovis is a wholesome community and a wonderful place to raise a family.

Please reconsider and take Cannon Air Force Base off the base closure list because: Received

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: [illegible]

PS My brother and step-father will lose their jobs and my mother will have to move away. Please dont bring loses to my family

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

H.V. Luckett

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Mrs Gayle Crow

Please reconsider and take Cannon Air Force Base off the base closure list because: Received

KEY MILITARY FACTS

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Barbara Ainsworth

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Karen Goodwin

This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

BRAC Commission

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Mr Patrick

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: David L. Caffey 201 Wrangler Way, Clovis, NM 88101

PS It would be a shame to throw away a great military-supporting community and a solid base with excellent supporting features - airspace, etc.

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Jose M. Nañez

Operation KEEP CANNON

Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Nicky Howard

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Pablo Zamora

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Marvin Baumgartner

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

operation KEEP CANNON Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,
(signature and address)

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

M. E. Bentley

The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Wanda Beavers

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

operation

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Jeanne Chadwell

- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Larry Ward

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initrative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Glenda Bentley

operation KEEP CANNON

Letter Campaign

Dear BRAC Commissioners:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you to please reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,
(signature and address)

TO BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: Pam Sury

PS We (Clovis area) probably have the best weather for that area to train the pilots. As well as the bombing range.
