Rep Bob Etheridge – Move FORSCOM + reserves to Bragg OK – keep Pope open.

BG Paul Dordal – former Pope CC – Recs not consistent c̄ mission seq –

Col Jerry Peck – Airborne – joint ops – AF should maintain airfield – current jump & pod – crisis response team support –

Doesn't ↓ infrastructure or ↓ $ – effort to right-size + move aircraft.

Want Pope open, run by AF, + add C-130J assigned.

New Homeland Defense mission ↑↑ as well as usual.

Very busy – lots of sorties need ops + maint + med + support

Leaving: command + control, safety, tower, cargo, fuel, fire

Lift gap 130E leave + 130H arrive

↑ costs for deployed aircraft from off station

Army doesn't want to run the airfield – would contract out (↑ $)

Pay costs unknown yet or wrong (pers. savings)

Propose – leave Bragg/Pope c̄ USA/USAF – bring in C-130J
