"Over 2.6 billion dollars..."

That's the positive economic impact Fort Jackson & McEntire have on the economy of the Midlands.

And right now, a Commission in Washington is deciding whether or not to close our bases.

Here's what U.S. Senator Lindsey Graham has to say: "Strong community support is the best way to spare our bases from the Defense Department's budget axe."

It's up to us.

To find out how you can help, go to www.supportourbases.com or complete the Support our Bases petition form today!

A PETITION TO SUPPORT

Ft. Jackson & McEntire

and the Brave Men and Women in Uniform.

SUPPORT OUR BASES

CITIZENS FOR FORT JACKSON & McENTIRE

I support the vital role Fort Jackson and McEntire play in protecting our country and fighting the war on terror. They also serve as reminders that freedom is not "free", and I am proud to support the young men and women that train and serve at these bases. They are great symbols of our community and our country.
