2521 South Clark street. Suite 600
Arlington, VA. 22202

Dear member of the BRAC commission,

I know a Bunch of air force Bases are closing. But I think cannon should stay Because we need people around to Be ready. These people at cannon are having to move will Be loosing alot of family and friends. the towns are going to loose money. cannon is what makes up the surrounding towns. I Just think we should give them well everyone at cannon another chance.

Sincerely.
Krystal
Sepeda.
