DCN: 2356

06102005

To Admiral Harold W. Lehman Jr.

This letter is being written to express our desire that Cannon Air Force Base be kept open and not closed.

I admit that we are ordinary people and do not have the military minds. But just with logic and common sense we can see the wisdom of keeping Cannon open.

Please review all the facts presented and I hope you vote to keep Cannon Air Force operational keeping America safe.

Thank you for your time.
