MEMORANDUM FOR OSD BRAC Clearinghouse Tasker

SUBJECT: OSD BRAC Clearinghouse Tasker C0918 - Force Protection of Indianapolis DFAS

1. Reference e-Mail from Ms. M. Wasleski, BRAC Commission Staff, 11 August 2005, subject: Force Protection of Indianapolis DFAS.

2. Issues/Questions: What would it cost for DFAS Indianapolis to be meet the DoD Force Protection standards? Based on our site visit to Indianapolis, it appears that the site does not currently meet all of the DoD force protection standards. While leased space does not currently have to meet those standards by Oct. 09, the space will need to meet those standards or the DoD personnel would need to be moved from the building.

3. Response: DFAS Indianapolis is located in the Major General Emmett J. Bean Federal Center. The Bean Federal Center is a General Services Administration (GSA) owned and managed facility. It is our understanding that a Force Protection Survey is scheduled to be undertaken at Bean Federal Center in January 2006. Security upgrades, if any are required, will not be known until after the inspection is completed. If security upgrades are required, GSA will develop financial projections.

4. Coordination: Mr. J. Chittick, DFAS, 14 August 2005.
