Subject: Reconsider and take Cannon AFB off the closure list

These are the Reason Cannon should be Taken off the list for Base Closure, abundance airspace no encrachment, safe more realistic scenario for various aircraft and mission, Supersonic flying. Great year round weather, Melrose bombing range seconds away, New Runway, Ample space and ramp space for surge force requirement, Support of training mission for F-22, Joint strike force. Award winning base on ACC, Air Force and Nat level. The City loves and Supports us

PS: On a personal note,
