Subject: Reconsider and take Cannon AFB off the closure list

I am a college student with a great future now. But if Cannon closes, I will move with my family loose my scholarship and have to start over. Also Cannon has some strong points. Abundance air sport with no encroachment, great year round weather, new runway on base, Ample space and ramp space for surge requirement, Melrose bombing range second away, once implemented the nm training range in it to allows supersonic flying, safer, more realistic training scenario for various aircraft and mission. A great community support that no one else have.
