Commission Chair Athony J Principi
BRAC Commission

Dear Sir,

As a twenty-five year resident of Portales, NM, I hope the Commission will consider my comments about CAFB.

The presence of this Base – in our skies, in our neighborhoods, in our lives — means everything to this community. They could ask anything of us, and we would do it because of what they mean to our country and to each of us.

Please give us the chance to show us the chance to show you how much we are willing to back up these promises with actions. Allow us to keep Cannon.

Sincerely,
Patrice Caldwell
