Subject: Reconsider and take Cannon AFB off the closure list

Please do not close Cannon, I feel you made a grave error by putting us on the closure list here are some reasons: Abundance airspace with no encroachment. Great weather all year round, no close bombing range some distance away, New Runway on base, ample space and ramp space for surge force requirement, Support training mission for F-22 joint strike force, Supersonic flying once implemented by military active population within 150 mile radius is 60 million expansion of Plains Regional Expansion to CCC and Eastern And Great Community Support

PS: On a personal note,
This is my home, my base our life. It will be devastating to all of us Please Realize we not close us.
