DCN 2446

RECEIVED

To the Commission,

We have lived 53 years in Clovis, N.M.
We fear the loss of Cannon AFB will devastate the economy of our town. The base is interwoven into our everyday existance, our schools, Churches and businesses.
We live in a low income - welfare state - please don't cause more of a burden.
Please reconsider.

Respectfully,

T.L. Potter and Sue Potter
