To Whom It May Concern:

I feel that you should reconsider your decision about shutting down Cannon Air Force Base. I believe you need to think about the kids and their parents that will have to leave there homes and schools if you shut it down. It would really affect the schools because there are many kids that come to Clovis and Portales schools and the schools would lose a lot of money. I know if I were one of those kids I would really be mad if I had to change schools so many times. Well I hope this letter made you re think your decision.

Sincerely
Danielle Vasquez
