BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: Wendi Strahan-Smith, LPN

PS This base keeps not only Clovis but also Portales! It's a part of us! Please don't take it away!

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Tammy Garner

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Signed: [illegible]

Address: 2325 Hammond Clovis NM 88101

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Mrs Joyce Brown

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring

Signed: [signature]

PS without this facility I will have to travel to Alby for meds unless the National Pharmacy will take persecutions with other insurance

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

BRAC Commission

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Mary Cordray

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Crystalyn Tagaher

- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely

Judy Burkey

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

BRAC Commission

AUG 10 2005

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Thrifty Nickel

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

By signing you are allowing additional copies to be made and mailed to the following: CC: BRAC Commissioners: Anthony J. Principi, James H. Bilbray, Philip Coyle, Harold W. Gehman Jr., James V. BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initrative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely; Lori McCarty

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base

Received

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Frankie Barton

Arlington, Virginia 22202

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Charles W. Robbins

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Richard L Sandy

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

BRAC Commission

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Tammy Garner

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

David Luttrell
Amarillo, TX.

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: [illegible]

PS As a property owner we feel it is imperative to keep Cannon AFB open!

AUG 10 2005

[illegible]

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

BRAC Commission

Dear BRAC Committee,

AUG 10 2005

Received

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Leticia Meeds

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Arlington, Virginia 22202

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Milton E Sanz

- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Vera M. Bleksa

Please reconsider and take Cannon Air Force Base off the base closure list Because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

Clovis, NM 88101

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Nancy Gentry

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: George [illegible] (Nice & clean / owner & operator)

PS CANNON plays a key role in my Businesses survival and one of my Employee's is a Base dependent, and GOD BLESS you. THANK you

AUG 10 2005

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

BRAC Commission

AUG 10 2005

BRAC Commission
2521 South Clark Street, Suite 600
Arlington, Virginia 22202

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Kelsey Overton

PO Box 32

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University--classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed: Leroy Salinas

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Frankie Bautista

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Rose Hunter

RECEIVED

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

BRAC Commission

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

BRAC Commission

Dear BRAC Committee,

AUG 10 2005

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Eddie Olivas

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely; Thelma Pozuelos

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

BRAC Commission

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

Please reconsider and take Cannon Air Force Base off the base closure list because: Acquired

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

Jesse L Blair

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Jess O. Oldham

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base--two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Brantley Henderson

BRAC Commission

AUG 1 0 2005

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

Mary Weigl

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

AUG 10 2005

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Ricardo V Tavarez

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Lesa L. Savary

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Signed Shirley Laisen

PS Cannon Air Force Base is part of the heart of this Community and extremely important to all ages. We all take great pride in being the "home" of Cannon Air Force Base. Economically, our region would be devastated if the base closes. Please consider the "human factor" in this decision. Thank you

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

Ted Wooten

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

BRAC Commission

Dear BRAC Committee,

AUG 10 2005

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Ashley H Merrick

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

WILLIAM CANNON

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

Clovis, NM 88101

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

RECEIVED

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Regarding: Removing Cannon AFB from the BRAC list

Dear BRAC Commissioner:

I am very concerned about the Department of Defense's recommendation that Cannon Air Force Base should be closed.

I want to help make the Commission fully aware of the unique attributes that Cannon offers to our national defense. These include unencroached airspace suitable for training at supersonic speed, many new and existing facilities suitable for joint training exercises, and a low-cost environment that promotes cost-efficient training. Cannon is a real asset to the country's armed forces.

Whether or not Cannon's military value has been recognized yet in Washington, out here we really appreciate the base. The local community has been uniquely supportive, donating time and land to promote the base's needs. We have also welcomed the personnel. The many veterans in the area make it clear that they feel at home here. We consider Cannon and its retirees a part of our family.

The closure of Cannon will also have a devastating impact on our economy. It has been estimated that the area will lose at least 20 percent of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical for us.

I invite you to come personally to the Cannon hearing in Clovis. I ask you please to reconsider Cannon's importance to the nation and to my community. Please, let us KEEP CANNON!

Sincerely,

WILLIAM CANNON

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring

AUG 10 2005

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring

BRAC Commission

AUG 10 2005

Received

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

By signing you are allowing additional copies to be made and mailed to the following; CC: BRAC Commissioners; Anthony J. Principi, James H. Bilbray, Philip Coyle, Harold W. Gehman Jr., James V. Hansen, James T. Hill, Lloyd "Fig" Newton, Samuel Knox Skinner, Sue Ellen Turner, President George W. Bush, Mrs. Laura Bush, Gov. Bill Richardson, Senators; Pete Domenici, Jeff Bingaman Rep. - Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

Received

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

By signing you are allowing additional copies to be made and mailed to the following: CC: BRAC Commissioners: Anthony J. Principi, James H. Bilbray, Philip Coyle, Harold W. Gehman Jr., James V. Re: CANNON AIR FORCE BASE ON CLOSURE LIST

HONORABLE COMMISSIONERS:

Our City and Community, as well as Portales, Roosevelt County, Cities of Amarillo and Lubbock, Texas were all shocked to hear CANNON is on the closure list.

It is most difficult to understand why, as CANNON has met, in fact exceeded the requirements of the Pentagon Officials who developed the closure list. Millions of dollars have been spent recently on expanding the fire station, hospital, runway and the overpass.

It will be very devastating and far reaching for us, even closing one of our schools that mostly children of CANNON attends.

All consideration possible should be given to removing CANNON from the list. We are all human and can make a mistake, and I certainly feel a human error was made when CANNON was placed on the list.

I'm looking forward to attending your meeting in Clovis ON THE 24TH.

Sincerely;

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

Adam Espinoza
Mgr. Discount Tire Co.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely,

BRAC Commission

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

RECEIVED

BRAC Commissioner, Chairman Anthony Principi

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

AUG 10 2005

THANK YOU BRAC COMMISSIONERS

For coming to Clovis, NM and Cannon Air Force Base to hear our case and for your consideration to take Cannon off the base closure list for the following reasons presented to you by our representatives and local leaders:

- Air Force military value scoring did not look to the future and failed to consider such important factors as a soon-to-be-enacted New Mexico Training Range Initiative that gives pilots access to broader supersonic air space.
- Cannon did not score well on encroachment, when in fact its defenders argue there is no encroachment upon the base on land or in the air.
- Cannon was given credit for only two of the four areas of airspace for flying missions available to its pilots.
- Cannon should have received the maximum score available for its use of the nearby Melrose Bombing Range, which has full capability for the dropping of all types of weapons and providing more realistic practice using land targets verses dropping over water
- Clovis city leaders approved the extension of the runway at Clovis Municipal Airport from 6,200 feet to 8,600 feet, giving Cannon access to a suitable auxiliary airfield within 50 miles.
- Cannon could double in size for about $5 million.
- Cannon has 329 days of good flying weather, yet bases with worse flying weather scored equally well under the rating formula. Cannon diverts an average of only 20 flights each year, a low number compared to other bases.
- The Pentagon lists savings it could achieve by moving Cannon's fighter squadrons to other bases but fails to factor in the costs of personnel associated with those squadrons on the other bases' side of the ledger.

- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

RECEIVED

Dear BRAC Committee,

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely,

Malinda Gooding

OPERATION KEEP CANNON

To the distinguished BRAC committee,

We are the communities of Curry and Roosevelt County that have had the honor of having Cannon Air Force Base a part of our community for more than 50 years. There are many reasons that Cannon should NOT be on the BRAC list.

Some of the things are the abundance of air space, void of any encroachment issues. The future use of super sonic fly space, the fabulous weather that permits a year round training ability, In addition, the Melrose bombing range is seconds from the end of the runway at Cannon, which allows pilots to get airborne and immediately begin training operations over the bombing range, rather than spending all of their fuel just to get to the range, having one pass over, then returning to the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon Air Force Base and GAVE them to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon Air Force Base and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

As hopefully you will personally witness, the relationship between Cannon Air Force Base and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon Air Force Base for healthcare, grocery shopping and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for every step of the way.

Sincerely, Peter Mazzolini

AUG 10 2005

Please reconsider and take Cannon Air Force Base off the base closure list because:

KEY MILITARY FACTS:

- Abundance in air space with no encroachments
- Safer, more realistic training scenarios for all types of planes and missions
- Once implemented, supersonic flying through the N.M. Training Range Initiative
- Great year-round weather for flying conditions
- Melrose bombing range is seconds away
- New runways on the base—two runways, not just one
- Ample space and ramp space for surge force requirements
- Support of training missions for F-22, F-35, Joint Strike Fighter, etc.
- Award winning base on ACC, Air Force, and NAF levels
- A relationship like none other with the communities of Clovis, Portales, and the surrounding areas
- Large military retiree population within a 150 mile radius

KEY COMMUNITY FACTS:

- $60 million expansion to Plains Regional Medical Center with new Heart, and Cancer Wings, 10,000 sq. ft. Rehab Center as well as the addition of 60+ new medical staff
- Expansions to Clovis Community College and Eastern NM University—classes offered on base
- New VA Clinic opened this year
- Expansion and new industry is providing job opportunities for spouses and children
- Many new housing developments are providing housing needs
- New restaurants, building suppliers, and retail businesses adding to the established base
- New Civic Center under construction for increased community events
- Military discounts offered by local businesses
- The best schools and teaching staff in NM
- A Christian-based community that is family oriented and caring
- Portales community was not considered in the economic impact of closure

BRAC Commission

Dear BRAC Committee,

AUG 10 2005

We the surrounding communities of Curry and Roosevelt County that have had the honor of having Cannon AFB a part of our community for more than 50 years. There are many reasons that Cannon should NOT be closed.

Some of the things are the abundance of air space, void of any encroachment issues, the future use of super sonic flying, the fabulous weather that permits a year round training ability. In addition, the Melrose bombing range is seconds from the end of the runways at Cannon, which allows pilots to get airborne and immediately begin their training operations over the area.

In the early 90's, Curry County, in conjunction with the state of New Mexico purchased air easements around Cannon AFB and GAVE them the to the Air Force. This was done to protect that air space from encroachments and was an important issue for the Air Force as it is today. The local community purchased land North of Cannon AFB and GAVE it back to the Air Force for additional housing, now known as Chavez Manor. Within the last few years, our community purchased land West of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.

Cannon has the space and facilities to accommodate joint war fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy. Cannon has won countless awards, both on the ACC level, Air Force and NAF levels, and national and STAT levels.

As hopefully you will personally witness, the relationship between Cannon AFB and the surrounding towns: Clovis, Portales, Lubbock, Amarillo and many others is UNLIKE ANY OTHER INSTALLATION IN THE COUNTRY. These towns are home to large military retiree populations which rely on Cannon AFB for healthcare, grocery shopping, and more.

Our community has reached out and supported the base like no other community over the past 50 years. We've done so financially, morally, spiritually and above all, consistently. We are proud, honored and blessed to have Cannon Air Force Base and will stand behind it and everything it stands for. The sound of those jets flying over is the sound of FREEDOM!

Sincerely, Patricia Jaramillo
