Dear Ms. Turner,

I am a resident of Clovis, N.M. and also a realtor. I have lived here 41 years. I have met many friends from the base and I treasure their friendship.

Cannon AFB is so important to all of us. It would be so hard to imagine Cannon not being here.

I have sold many homes to the military - it has been wonderful working with them.

Please consider how awful it would be, if we didn't have Cannon here anymore.

Sincerely,
Suzanne Fusher

Dear Mr. Hansen,

I am a resident of Clovis, N.M. and also a realtor. I have lived in Clovis for 41 years. I have seen many changes in this 41 years but constant was always that Cannon AFB was here.

Due to the recent news that Cannon might be closed, I am very distressed. Cannon is such a vital part of our community and we have a great relationship.

Please reconsider and leave Cannon here at Clovis.

Sincerely,
Suzanne Zurcher

Dear Sir:

I believe Cannon Air Force Base has the potential to remain in service. Please consider our year around good weather flying time. We have the air space, no encroachment and the Melrose Bombing Range close by, new runways, Base housing and off base housing across from base north, new and fairly new housing in Portales and Clovis.

The Cannon Air Force Base is open for expansion. Maybe a newer plane, a home for service people returning from duty to a different location and training. The Retired Military do their shopping at C.A.F.B. Commissary and Hospital visitation on weekly or monthly trips, coming from Lubbock, Amarillo, Muleshoe Texas, Tucumcari, Logan, Hobbs Roswell, Ft Sumner, Portales and Clovis, within 150 mile radius.

Last but not least, we accept the C.A.F.B. and personal with Open Arms; neighbors and friends. Joined make a great Family.

I thank you for your time, very much. And hope you will reconsider keeping Our Cannon Air Force Base operational.

We live on flat land so we don't offer them much scenery, but they do learn to love our people.

I have not even touched on the economic losses the closing would cause. We have people from Portales, Lubbock, Amarillo & many small communities who are eligible to use the base's medical & other facilities. This would put a great hardship on them. It would be devastating to all of us.

Thank you so much for your consideration on the matter.

Ref: Cannon AFB Closure

Dear Mr. Principi,

I respectfully would like to ask you to carefully consider again the closing of Cannon Air Force Base.

We sincerely believe that this base is a very important part of our nation's military bases.

Here in New Mexico we believe we have a very unique facility in which to train pilots. We have an exceptional number of good weather flying days, as well as unlimited flying air space.

There are also no runways close to populated areas. Also the large bombing range is very important.

We truly love our military personel here. They are welcomed with open arms & hearts here in Clovis.

They are a very important part of our character.
