To General Lloyd W Newton

Thank you for coming to Clovis And Cannon AFB. Your Attention At our presentation was noticed.

Please Remember Cannon And the great Aspects of our Area. I felt that Cannon should never have been on the list, then After the meeting I was totally convinced!

We are fortunate that you and the other members are working for what is Right And not just A "Rubber Stamp."

Please Remember even though there are great Bases like Cannon, NONE will have A NEGATIVE EFFECT on An AREA if Removed like Cannon would. By two to three times!!

Sincerely

TO Admiral Harold W. Gehman, Jr

Thank you for the hard work you are doing, we APPRECIATE the committee looking at Cannon AFB and our communities.

Please Remember our great attributes, wide open space, no encroachment, a totally supportive community and more!

I know that you and the committee are not "Rubber stamps" and will examine our evidence. I thought Cannon should never have been on the list, after attending the presentation, I was totally convinced!

Please Remember that our communities will be effected 2-3 times more than ANY OTHER LOCATION. Please Remember Cannon, Clovis, and surrounding communities.

Sincerely

To the Honorable James H. Bilbray

I would like to thank you for your hard work and thank the committee for spending time in Clovis and Cannon AFB.

I thought our base (Cannon) should not have been on the list, then when I attended the presentation, I was totally convinced!

Please Rember our wide-open space, the extreme community support, and our non-encroachement.

We are confident ~~that~~ that you and the committee are not a "Rubber stamp" and you have an important job for our country.

Please remember that no other area or base will be effected like our community, 2-3 times over!

Sincerely,

07012005

To the Honorable James V Hansen

Thank you for your work, for attending and chairing the presentation in Clovis, NM for Cannon AFB.

I thought Cannon should never have been on the closure list, after attending the presentation, I was totally convinced!

I know that you and the committee are not "Rubber Stamps" and you are examining our evidence.

Remember, please, that you may look at other good bases but NONE of those areas will be effected like Clovis and Portales by 2-3 times over!

Thank you for remembering Cannon, Clovis, and Portales

Sincerely

Terry Paynor

07012005 RECEIVED

To the Honorable Samuel K. Skinner

Thank you for your work and dedication and the committee for spending time in Clovis, NM.

Please remember the evidence for Cannon AFB and the tremendous support from our communities. I felt Cannon should never have been on the list, after the meeting, I was convinced!!

We are fortunate that you are working on what is best and right for all and not just a "rubber stamp".

With all the great bases such as Cannon please remember there is no base or community more adversely effected than Clovis by two to three times!

Sincerely

To The Honorable Philip Coyle

Thank you for visiting our community and your attention to our presentation at Clovis for Cannon AFB.

I thought Cannon should have never been on the list, then after hearing the presentation, I was totally convinced!

Please Remember the attributes of our Base and Community. I ~~the~~ know that you and the Committee are working hard for us and that you are not a "rubber stamp".

Remember that NO OTHER BASE OR AREA will be effected as our communities by 2-3 times over!

Please Remember Cannon, Clovis, and Portales.

Sincerely,

To: the Honorable Anthony J. Principi

Thank you for the hard work you are performing and thank you for coming to Clovis and Cannon AFB to see what our area has to offer.

I thought the base should have never been on the closure list, then after hearing the presentation, I was totally convinced of that.

Please remember our community, the support, the air space, and the wide-open area we have.

We are confident that you and the committee are not a "rubber stamp" and you have an important task.

Remember please that NO AREA, NO BASE will be effected more than ours - 2 to 3 times more!

Sincerely,

To General James T Hill

Thank you for your work on the commission and I thank the committee for coming to Clovis, NM and hearing the presentation on Cannon AFB.

I thought Cannon AFB should not be on the list, then after hearing the presentation I was convinced of this.

Please remember the benefits of Cannon and the area and the community. We are fortunate that you and the committee are not "Rubber Stamps" and are working for the best interests of all.

We know there are a lot of good, or great bases on the list, like Cannon — Please remember that there is no base, no other area or communities that will be more adversely effected as our area. (By 2 or 3 times!!)

Please remember Cannon, Clovis, & Portales.

Sincerely
