Dear BRAC Commission

I'm writing to you because our Cannon Air Force base is very important. If you take away our base it's like taking away our safety. Also if any illegal-aleins try to come to America then we won't have any body to go and see them. We also have a wide open range for growth or trainig. We also have super Sonis-air space. We have lot's of other things that wouldn't be useful without our base. So please don't take away our base.

Sincerily, Brooke Tschoepe
