July 1, 2005

✓ The Honorable James V. Hansen
 Base Closure and Realignment Commission
 2521 South Clark Street
 Suite 600
 Arlington, VA 22202

Dear Commissioner Hansen,

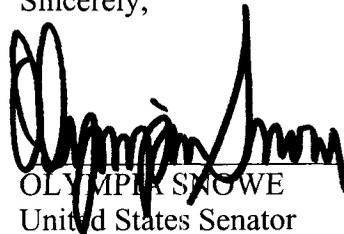

Thank you for giving so much of your time to serve on the 2005 BRAC Commission. We know it is a strenuous and demanding commitment. Enclosed for your information is a hard copy and disk of the presentation that will be made on behalf of the Portsmouth Naval Shipyard at the July 6, 2005 BRAC Hearing in Boston.

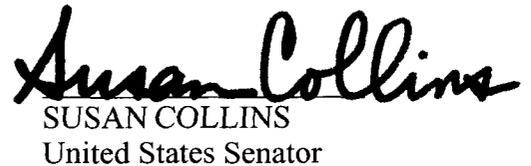

We believe the presentation clearly shows that Department of Defense recommendation to close the Portsmouth Naval Shipyard:

- Substantially deviates from BRAC criteria numbers 1, 2, 3, 4, 5, 6, and 8.
- Would cost the taxpayers far more money than it would save.
- Would fundamentally undermine the National Defense Strategy of our nation.

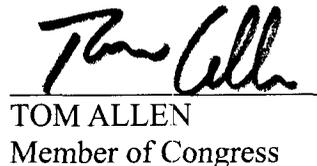

Sincerely,

 JUDD GREGG
