Dear Mr. Meyer:

I respectfully request a written response from the Department of Defense concerning the following question.

Could you please explain why the Joint Spectrum Center, Annapolis, MD is not closed and relocated to Ft. Meade, MD under the Secretary's recommendation, HSA-45? This may have been an oversight in the COBRA run, as when DISA briefed us on the recommendation they said it was included, but I have not been able to find it. It is, however, included in HSA-89, 90 and 12. I would appreciate a response by Monday 18, 2005.

I would appreciate your response by July 15, 2005. Please provide a control number for this request and do not hesitate to contact me if I can provide further information concerning this request.

Yours sincerely,

Frank Cirillo
Director
