SUBJECT: Request Comment on the feasibility of stationing an Army BCT at Cannon AFB

During a recent meeting with Chairman Principi, GEN Cody, and Secretary Dubois, the Chairman asked GEN Cody about the feasibility of stationing an Army BCT at Cannon AFB.

1. Did the Army consider stationing a BCT at Cannon AFB as part of scenario development for stationing options for Army BCTs? If yes, what were the results of that analysis? If no, what is the feasibility of such a stationing plan? Describe the maneuver acres available and the costs associated with this realignment?

Regards,

R. Gary Dinsick  
Army Team Leader
