Dear BRAC Commission,

I thinR you shouldn't close CAFB because if cannon closed all the people that worR there would be out of a job! You shouldn't close Cannon because when you're traiming there's a lot of open space surrounding our base. Our climate is good for air space and the medical facilities have expanded to provide services. Cannon is the closest base to Los Alamos Lab. Also, if an airplane was flying and it let off that boom over a school every thing would shaRe. In Cannon on that wouldn't happen because of all the open space. Also if you closed Cannon half the kids in our school would be gone! So please keep Cannon open.

Sincerly,
Jozlin Molette
