Dear members of the Brac Commisons
I have a couple of things to say, about yall trying to shut down Cannon air force base. I am a very concern citizen about this. It's a fact if you shut down CAFB 1st of all the towns of Portales Clovis will drop in population. 2nd of all in Iraq there is 27% of our aircraft there. Well thats all I got to say so

Bye Sincerely,
Trae B.
