Keep Cannon

Dear BRAC Committee,

I don't want the heart of Clovis to die. Cannon gives us best friends, great Schools, and 1/3 of our population. Cannon AFB: Home is where the military sends me! Please don't take my home! If you close down Cannon you hurt Clovis Schools, best friends, Clovis and me.

I don't Know what I would do without Cannon AFB. Where would I go? What will I do? Cannon helps everyone and our troops. So please, please don't close Cannon down. Or you break the heart of Clovis, and the hearts of the Clovis citizens.

Sincerly,
Nicky Dos
