Dear Gen. Hill:

I greatly appreciate your service to the BRAC process and especially your interest and attentiveness as demonstrated during your San Antonio visit.

I also want to express my thanks for your thoughtfulness regarding your comments about my father and his efforts in maintaining the commissaries and the building of BAMC. Dad was truly driven when it came to quality-of-life issues facing our military families.

Respectfully,

Charlie Gonzalez

Dear Marilyn,

It was a pleasure meeting you during Sen. Hill's visit to DFAS. I appreciate your contribution to the BRAC process which can be contentious and difficult at times. May we all continue to work together for the greater good.

Very truly yours,

Charlie Gonzalez
