Dear BRAC Committee,

I don't want Cannon to close. If Cannon closes I will lose my best friends. Fifth grade won't have Marsville. It effects our entire community. I am apart of the Mesa family and I don't want to go back to Asia. Cannon trains troups for Iraq and provides help for foreign countries. We have ausome churches.

Base is 1/3 of our population. We have nice people. We have super schools. We have a safe enviroment. It is the best! I love Cannon. Please don't let Cannon close.

Sincerely,
Sailesh
