To whom it may Concern:

I would like to see the DFAS remain in Rome, ny and to expand and keep the 137 Sensor jobs at the Rome Lab just as they are now.

I am 89 years old, have lived in Rome, ny all of my life, and have seen many changes, some good and some bad.

I have been a registered voter in the 1st district 7th ward in Rome, ny for the past 68 years.

I have traveled to many places even in foreign Countries and am alway glad to return back to my home town and my Roots.

Ll please consider all your findings and consider to keep DFAS and Rome Lab in Rome ny.

Thank you

Sincerely

Mrs. Anna Mae Fuller
