The Honorable Anthony J. Principi
Chairman
Defense Base Closure and Realignment Commission
2521 South Clark Street, Suite 600
Arlington, VA 22202

Dear Chairman Principi:

This is in response to the July 21, 2005 inquiry from Mr. David Epstein of your staff regarding COBRA analysis for scenario DON-0126R, which relocates Navy Supply Corps School Athens, GA, to Naval Station Newport, RI. Specifically, Mr. Epstein requested that we provide a revised COBRA analysis to reflect the additional Basic Allowance for Housing (BAH) cost for military students based on the cost differential between Athens, GA and Newport, RI.

On July 21, 2005, my office analyzed the data and revised the COBRA analysis to reflect additional BAH costs. The enclosed disk contains the revised COBRA Report to assist with your analysis of this scenario.

I trust this information is responsive to your requirements. If we can be of further assistance, please let me know.

Sincerely,
