MEMORANDUM FOR THE RECORD

SUBJECT: Certification of DISN PoP – Additional DFAS Location Data

The Defense Base Closure and Realignment Act of 1990 (Sections 2901-2914 of Public Law 101-510, as amended) (BRAC) establishes the exclusive procedures under which the Department of Defense may pursue realignment or closure of military installations inside the United States until April 15, 2006. Section 2903(c)(5) of BRAC requires specified personnel to certify to the best of their knowledge and belief that information provided to the Secretary of Defense or the 2005 Base Realignment and Closure Commission concerning the realignment or closure of a military installation is accurate and complete.

In accordance with Section 2903(c)(5) of Public Law 101-510, as amended, the BRAC 2005 DISN Point of Presence – Additional DFAS Location data call responses for the Defense Information Systems Agency are certified as accurate and complete to the best of the certifier's knowledge and belief.
