Dear Ms. Schmidt

On behalf of Partners for Stennis, I'd like to thank you for the gracious reception you gave our community team yesterday. Frankly we may have been expecting a skeptical and stony faced reaction but you were very cordial to us and attentive to the issues which we wanted to bring to the Commission's attention. We know how busy you are right now but I must say we felt like you were ready to spend whatever time was necessary to insure that the Commission had all the facts necessary to make this important decision. Thank you for your hospitality and for your efforts in this important work.

Sincerely, John Hamil
