CORRECTION

In the **Federal Register** of June 7, 2005, in FR Doc. 05-11234, on pages 34126-27, in the third and first and second columns, respectively, correct the **SUMMARY** caption to read: **SUMMARY:** A delegation of Commissioners of the Defense Base Closure and Realignment Commission will meet on June 27, 2005 from 1:00 p.m. to 5:30 p.m. at the University of Buffalo Center for the Arts Mainstage Theater, Coventry Circle, North Campus, Buffalo, New York 14260 to receive comment from Federal, state and local government representatives and the general public on base realignment and closure

actions in New York and Ohio that have been recommended by the Department of Defense (DoD).

The purpose of this regional meeting is to allow communities in the listed states experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. Sign language interpretation will be provided. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

We need to update the webpage today. One of the errors on the webpage effects the hearing in Alaska tomorrow.

Here are the FR files that have been printed to date, along with notes on the webpage calendar as it stands. The FR announcements are given in reverse chronological order. Please link them thusly on the calendar. As more come out, I'll send those to the webmastress. Please insert the following text somewhere near the top of the webpage: "Images of the Federal Register announcements are provided for reference. However, due to the time-lag in printing, the web site calendar will contain more current information whenever there is a change." (Lose the quotes)

Rob, Audrey, Chris, I'll show you where to find the FR announcements before I hit the road. Generally, go to <http://www.gpoaccess.gov/fr/index.html>, search for "defense base closure [city name]", e.g. "defense base closure boston", and you'll find it fairly quickly. Save it with a new filename based on the FR volume (70), Fed Reg, page number(s), and date. All the files will be named "waisgate.pdf" when you pull them down from the GPO website.

Legislative affairs personages, we need to identify the venue for Los Angeles and correct any other venues we think are going to change now. I will be on the road for two weeks starting next week (as will the rest of the GC section, by and large). We won't be able to do change announcements from the road.

Notice of the Defense Base Closure and Realignment Commission – Change to the Agenda of a Previously Announced Open Meeting (Baltimore, MD); Correction

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice of the Defense Base Closure and Realignment Commission –Change to the Agenda of a Previously Announced Open Meeting (Baltimore, MD); Correction

SUMMARY: The Defense Base Closure and Realignment Commission published a document in the **Federal Register** of June 13, 2005, concerning an open meeting to receive comments from Federal, state and local government representatives and the general public on base realignment and closure actions in Delaware, the District of Columbia, Maryland, New Jersey, Pennsylvania and Virginia that have been recommended by the Department of Defense (DoD). The agenda for this meeting has changed. A separate regional hearing will be scheduled on July 7, 2005 to discuss base realignment and closure actions in the District of Columbia and Virginia that have been recommended by the Department of Defense (DoD).

The delay of this change notice resulted from a Commission decision to accommodate recent requests from representatives of communities in the District of Columbia and

Virginia and the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

FOR FURTHER INFORMATION CONTACT: Please see the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov. The Commission invites the public to provide direct comment by sending an electronic message through the portal provided on the Commission's website or by mailing comments and supporting documents to the 2005 Defense Base Closure and Realignment Commission, 2521 South Clark Street Suite 600, Arlington, Virginia 22202-3920. The Commission requests that public comments be directed toward matters bearing on the decision criteria described in The Defense Base Closure and Realignment Act of 1990, as amended, available on the Commission website. Sections 2912 through 2914 of that Act describe the criteria and many of the essential elements of the 2005 BRAC process. For questions regarding this announcement, contact Mr. Dan Cowhig, Deputy General Counsel and Designated Federal Officer, at the Commission's mailing address or by telephone at 703-699-2950 or 2708.

CORRECTION

In the **Federal Register** of June 13, 2005, in FR Doc. 05-11630, on page 34094, in the second and third columns, correct the **SUMMARY** caption to read:

SUMMARY: A delegation of Commissioners of the Defense Base Closure and Realignment Commission will meet July 8, 2005 from 8:30 a.m. to 5:00 p.m. at the Kraushaar Auditorium, Goucher College, 1021 Dulaney Valley Road, Baltimore, Maryland 21204 to receive comments from Federal, state and local government representatives and the general public on base realignment and closure actions in Delaware, Maryland, New Jersey and Pennsylvania that have been recommended by the Department of Defense (DoD). Please see the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

The purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. Sign language interpretation will be provided. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

DEFENSE BASE CLOSURE AND REALIGNMENT COMMISSION

Notice of the Defense Base Closure and Realignment Commission – Change to the Agenda of a Previously Announced Open Meeting (Clovis, NM); Correction

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice of the Defense Base Closure and Realignment Commission – Change to the Agenda of a Previously Announced Open Meeting (Clovis, NM); Correction

SUMMARY: The Defense Base Closure and Realignment Commission published a document in the **Federal Register** of June 7, 2005, concerning an open meeting to receive comments from Federal, state and local government representatives and the general public on base realignment and closure actions in New Mexico that have been recommended by the Department of Defense (DoD). The agenda for this meeting has changed.

The delay of this change notice resulted from recent requests from representatives of communities in Arizona and Nevada to accommodate delegations from those communities and the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission. The Commission requests that the

public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

FOR FURTHER INFORMATION CONTACT: Please see the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov. The Commission invites the public to provide direct comment by sending an electronic message through the portal provided on the Commission's website or by mailing comments and supporting documents to the 2005 Defense Base Closure and Realignment Commission, 2521 South Clark Street Suite 600, Arlington, Virginia 22202-3920. The Commission requests that public comments be directed toward matters bearing on the decision criteria described in The Defense Base Closure and Realignment Act of 1990, as amended, available on the Commission website. Sections 2912 through 2914 of that Act describe the criteria and many of the essential elements of the 2005 BRAC process. For questions regarding this announcement, contact Mr. Dan Cowhig, Deputy General Counsel and Designated Federal Officer, at the Commission's mailing address or by telephone at 703-699-2950 or 2708.

CORRECTION

In the **Federal Register** of June 7, 2005, in FR Doc. 05-11235, on page 33127, in the second and third columns, correct the **SUMMARY** caption to read:

SUMMARY: A delegation of Commissioners of the Defense Base Closure and Realignment Commission will meet on June 24, 2005 from 8:30 a.m. to 12:00 p.m. at the Marshall Junior High School, 100 Commerce Way, Clovis, New Mexico 88101, to receive comments from Federal, state and local government representatives and the

general public on base realignment and closure actions in Arizona, Nevada and New Mexico that have been recommended by the Department of Defense (DoD).

The purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. Sign language interpretation will be provided. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

DEFENSE BASE CLOSURE AND REALIGNMENT COMMISSION

Notice of the Defense Base Closure and Realignment Commission – Change in Date,
Location and Agenda of a Previously Announced Open Meeting

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice; Notice of the Defense Base Closure and Realignment Commission –
Change in Date, Location and Agenda of a Previously Announced Open Meeting (St.
Louis, MO)

SUMMARY: Notice is hereby given that a Notice is hereby given that the previously
announced open meeting of a delegation of the Defense Base Closure and Realignment
Commission scheduled for June 7, 2005 from 8:30 a.m. to 6:00 p.m. in St. Louis,
Missouri, has been rescheduled for June 20, 2005 from 8:30 a.m. to 6:00 p.m. After
extensive coordination with the various Federal, state and local officials concerned, the
Commission determined that it was not possible to hold a meaningful public discussion
on the date originally scheduled because Congressional delegations and community
representatives had not been afforded adequate opportunity to analyze the data used by
the Department of Defense (DoD) to formulate the base closure and realignment
recommendations due to delays by DoD in releasing that data in an unclassified form.

The location of the meeting is yet to be determined. The agenda will now include comment from Federal, state and local government representatives and the general public on base realignment and closure actions in Kentucky, Illinois, Indiana, Iowa, Michigan, Missouri and Wisconsin that have been recommended by DoD.

The purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions. This meeting will be open to the public, subject to the availability of space.

The sub-group of the Commission will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

The delay of this notice resulted from unanticipated delays by DoD in the release of the data used by DoD to formulate the base closure and realignment recommendations in an unclassified form and the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

DATE: June 20, 2005 from 8:30 a.m. to 6:00 p.m.

ADDRESS: To Be Determined, St. Louis, Missouri

Notice of the 2005 Defense Base Closure and Realignment Commission – Cancellation of an Open Meeting

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice; 2005 Defense Base Closure and Realignment Commission – Cancellation of Open Meeting (Salt Lake City, UT)

SUMMARY: Notice is hereby given that the previously announced open meeting of a delegation of the 2005 Defense Base Closure and Realignment Commission scheduled for June 6, 2005 from 2:00 p.m. to 4:30 p.m. in Salt Lake City, Utah, has been cancelled. After extensive coordination with the various Federal, state and local officials concerned, the Commission determined that it was not possible to hold a meaningful public discussion on the date scheduled because Congressional delegations and community representatives had not been afforded adequate opportunity to analyze the data used by the Department of Defense (DoD) to formulate the base closure and realignment recommendations due to delays by DoD in releasing that data in an unclassified form. The Utah and Idaho Congressional delegations have been offered the opportunity to

participate in the regional hearing currently scheduled in Portland, Oregon on June 17, 2005.

The delay of this notice resulted from unanticipated delays by DoD in the release of the data used by DoD to formulate the base closure and realignment recommendations in an unclassified form and the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

DATE: Not applicable.

ADDRESS: Not applicable.

ACTION: Notice; 2005 Defense Base Closure and Realignment Commission – Change to the Agenda of a Previously Announced Open Meeting (Baltimore, MD)

SUMMARY: Notice is hereby given that there has been a change to the agenda of the previously announced open meeting of a delegation of Commissioners of the 2005 Defense Base Closure and Realignment Commission scheduled for July 8, 2005 in Baltimore, Maryland. The delegation will now meet on the same date in the same location from 8:30 a.m. to 5:00 p.m. to receive comment from Federal, state and local government representatives and the general public on base realignment and closure actions in Delaware, the District of Columbia, Maryland, New Jersey, Pennsylvania and Virginia that have been recommended by the Department of Defense (DoD).

The purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and

opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

This change resulted from recent requests from representatives of communities in Delaware to accommodate delegations from those communities. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

DATE: July 8, 2005 from 8:30 a.m. to 5:00 p.m.

ADDRESS: The Kraushaar Auditorium, Goucher College, 1021 Dulaney Valley Road, Baltimore, Maryland 21204

A new crop of 9 more Federal Register notices. Some mark changes to prior notices (named CHANGE X) , others are entirely new. Some are late, well within the 15-day window already. Late changes, late notices. The late or potentially late contain a reason code in the narration. Please expedite as much as possible. The sooner they're out, the better.

BRAC Commission Announces Changes to Utah and Missouri Regional Hearings

Arlington, Virginia, 3 June– Yesterday, the Defense Base Closure and Realignment Commission (BRAC) announced the cancellation of the Salt Lake City, Utah Regional Hearing, as well as the postponement of the St. Louis, Missouri Regional Hearing. In place of the Salt Lake City Regional Hearing, the Commission will conduct an extended visit to Hill Air Force Base to meet with Congressional and community representatives on Monday, 6 June. The new date for the St. Louis Regional Hearing is pending the coordination of the schedules of both the local community representatives and the Commissioners.

Delays by the Department of Defense (DoD) in releasing, in an unclassified form, the data that underlies its recommendations, have rendered it unreasonable to hold an open public meeting, at the time previously scheduled, to discuss those recommendations as these recommendations apply to installations in Utah and Idaho.

The Commission will adjust its schedule to ensure that Utah and Idaho will have the opportunity, if desired, to participate in the Portland, Oregon Regional Hearing once both states have had time to review the data provided by DoD.

Chairman Anthony Principi stated, “We made the decision based upon the delay of incoming data that would be made available to the public. After careful consideration and consultation with the Utah delegation, it was decided that an extended visit with key representatives of the community and a tour of the base would be a superior alternative.”

Chairman Principi further stated, “We also decided to postpone the St. Louis Regional Hearing due to the delay in receiving data pertinent to both the community and the BRAC Commission’s research and analysis team. As we continue to ensure objectivity and accuracy in our evaluations, we felt the need to give the local communities the necessary time to fully review the material, prior to the hearing.”

Notice of the 2005 Defense Base Closure and Realignment Commission – Open Meeting

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice; 2005 Defense Base Closure and Realignment Commission – Open Meeting (Portland, OR)

SUMMARY: Notice is hereby given that a delegation of Commissioners of the 2005 Defense Base Closure and Realignment Commission will hold an open meeting on June 17, 2005 from 8:30 a.m. to 11:00 a.m. in the first floor auditorium of the Eastside Federal Complex, 911 North East 11th Avenue, Portland, Oregon 97232. The delay of this notice resulted from the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission and the need to coordinate the schedules of the various Federal, state and local officials whose participation was judged essential to a meaningful public discussion. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

The delegation will meet to receive comment from Federal, state and local government representatives and the general public on base realignment and closure actions in Oregon

and Washington that have been recommended by the Department of Defense (DoD). The purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

ACTION: Notice; 2005 Defense Base Closure and Realignment Commission – Open Meeting (Fairbanks, AK)

SUMMARY: Notice is hereby given that a delegation of Commissioners of the 2005 Defense Base Closure and Realignment Commission will hold an open meeting on June 15, 2005 from 1:00 p.m. to 3:30 p.m. at The Carlson Center, 2010 Second Avenue, Fairbanks, Alaska 99701. The delay of this notice resulted from the short time-frame established by statute for the operations of the Defense Base Closure and Realignment Commission and the need to coordinate the schedules of the various Federal, state and local officials whose participation was judged essential to a meaningful public discussion. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

The delegation will meet to receive comment from Federal, state and local government representatives and the general public on base realignment and closure actions in Alaska that have been recommended by the Department of Defense (DoD). The purpose of this

regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. The delegation will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

DATE: June 15, 2005 from 1:00 p.m. to 3:30 p.m.

ADDRESS: The Carlson Center, 2010 Second Avenue, Fairbanks, Alaska 99701

Notice of the 2005 Defense Base Closure and Realignment Commission – Open Meeting
(Salt Lake City, UT)

AGENCY: Defense Base Closure and Realignment Commission

ACTION: Notice; 2005 Defense Base Closure and Realignment Commission – Open Meeting (Salt Lake City, UT)

SUMMARY: Notice is hereby given that the open meeting of the 2005 Defense Base Closure and Realignment Commission in Salt Lake City, Utah, will be held on June 6, 2005 from 2:00 p.m. to 4:30 p.m. at the Salt Palace Convention Center, 100 South West Temple, Salt Lake City, Utah 84101. The delay of this notice resulted from unanticipated conflicts in the schedules of the various Federal, state and local officials whose participation was judged essential to a meaningful public discussion. The Commission requests that the public consult the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov, for updates.

The Commission will meet to receive comment from Federal, state and local government representatives and the general public on base realignment and closure actions in Idaho and Utah that have been recommended by the Department of Defense (DoD). The

purpose of this regional meeting is to allow communities experiencing a base closure or major realignment action (defined as loss of 300 civilian positions or 400 military and civilian positions) an opportunity to voice their concerns, counter-arguments, and opinions in a live public forum. This meeting will be open to the public, subject to the availability of space. The Commission will not render decisions regarding the DoD recommendations at this meeting, but will gather information for later deliberations by the Commission as a whole.

DATE: June 6, 2005 from 2:00 p.m. to 4:30 p.m.

ADDRESS: Salt Palace Convention Center, 100 South West Temple, Salt Lake City, Utah 84101

FOR FURTHER INFORMATION CONTACT: Please see the 2005 Defense Base Closure and Realignment Commission website, www.brac.gov. The Commission requests that public comments be directed toward matters bearing on the decision criteria described in The Defense Base Closure and Realignment Act of 1990, as amended, available on the Commission website. Sections 2912 through 2914 of that Act describe the criteria and many of the essential elements of the 2005 BRAC process. For questions regarding this
