Clovis & Cannon (Even the surrounding areas) are some of the most wonderful places to live, here on God's green earth. The people here are the most wonderful people I know. We have always been able to come together to give to each other. Cannon AFB is a great place to live I should know, I used to be a military wife. Not to mention the unfettered airspace & the supersonic capabilities. Cannon has the ability to train with a multitude of different aircraft, not just the F-16., Not to mention the lack of encroachment issues.

Cannon should not be on this BRAC list. It is a very Big asset to this community, and the surrounding areas. Closing it, could turn out to be a big mistake. We would appreciate the chance to Keep Cannon Open. It Deserves it!
