BRAC Commission
2521 S. Clark St, Suite 600

Dear Sir:

This letter is to ask that you and the other Commissioners please consider removing Cannon from the base closure list. I live in Clovis, was born in Portales, and feel that keeping C.A.F.B. in our area is of utmost importance to our area and, more importantly, for the security of our nation.

Tremendous community support should put Cannon at the top of the list of those bases to be kept open and cherished. Cannon's location, weather, proximity to an air-ground bombing range, low density commercial traffic, and ~~and~~ outstanding base facilities should qualify us for a second, closer look.

Thank you for your time and consideration.

Sincerely,

Millie Goslin

I am writing to request that you and the other Commissioners please consider removing Cannon from the base Closure list. I feel that keeping Cannon is of the utmost importance to us and, more importantly, to the security of our nation.

According to the DoD, closing Cannon would mean 2,800 jobs would be lost, but according to our figures 4,000 people, 20% of this area's work force, would be unemployed.
