Dear Brac Commission

I am a college student at ENMU my parents are retired military. We have been living in Clovis since 1998. I went to Elementary school here. This would ruin our community both Clovis and Portales.

You know Clovis has reached out to Cannon with land retrieval, expanding air space. We have great weather, great location, great proximity to Melrose bombing range. And wonderful community support.

I feel we don't meet the Brac requirement this base could be vital to the USAF. We have it all. Don't throw the baby out with the bath water. Reconsider
