Subject: Cannon A/F Base Closure

Please reconsider closing Cannon A/F base for some of the following reasons:

1. Cannon's location - airspace
2. Great weather
3. Close to Bombing Range
4. Low air traffic
5. New runways
6. Award winning base
7. Outstanding community support

There are just a few reasons for keeping the base open. On a personal note we are retirees who have made our home here in Clovis and one of our decisions to stay was to be near a base facility. I understand there are quite a few people like ourselves.

Please reconsider this closure.
