Dear General Turner,

Thanks for attending the hearing. I was very impressed with the organization and feel that the bases felt that they had the opportunity to present their cases. Thanks for your service to our country + your work on the commission.

Sincerely
John Boozman

Dear General Newton,

Thanks for attending the brac hearing in San Antonio. I thought the hearing was very well done + so importantly the bases had a chance to tell their stories. You a hero of mine. When I was a kid, I can't tell you the excitement I felt when the Thunderbirds performed seeing them as a young kid. Thanks for your service to our country
