Dear Mr. Skinner,

I am a resident of Clovis, N.M. and also a realtor. I have lived here 41 years.

My first friends here were stationed at Cannon. Needless to say that we love Cannon, is an understatement.

Most of my clients have been military and they have become very dear friends.

Please consider how awful it would be for us to lose our beloved Base.

Sincerely,
Suzanne Thrasher

Dear Mr. Coyle,

I am a realtor and a Clovis resident, having been so for 41 years. As, I think back, my first friends were military people stationed at Cannon AFB. We have continued our friendships all these years.

We, in Clovis, love our Cannon AFB and are truly hoping that they will be able to stay here always. Cannon is such a vital part of our community, it would be devastating to lose them.

Please consider keeping Cannon here at home with us.

Thanks-

Sincerely,
Suzanne Zumwalt

Dear Mr. Bill,

I am a resident of Clovis, N.M. and also am a realtor. I have lived here 41 years.

I have always appreciated the fact that Cannon AFB was here, in fact, my first friends here were military stationed at Cannon.

Cannon AFB is so important to Clovis residents. Most of my home sales have been with military stationed at Cannon.

Please consider leaving Cannon here, where I truly feel that they belong.

Sincerely,

Dear Mr. Dehman, Jr.

I am a realtor and a resident of Clovis, New Mexico, having been so for 41 years.

The possible closure of Cannon AFB is most disturbing to me. Not only economically but I have had so many friends that were military at Cannon, in fact, some of our first friends here were from Cannon.

Also, our church is full of military people from Cannon.

To say that Clovis loves Cannon AFB is an understatement!!!

Please reconsider & keep Cannon AFB here where they belong!

Sincerely,
Suzanne Franklin

It would be a devastating blow to us if Cannon were to be closed. It would impact us in so many way.
