Brac Commission

We are asking for you to please re-evaluate your decision to have Cannon on the closure list. I have lived in Clovis for 38 yrs and it is now for the 1ST time beginning to grow and prosper. I truly believe that if Cannon closes, we will be once again a struggling community. We will survive, but we love Cannon being here.

Aside from all the military reasons for us to keep Cannon, we believe that our community is good to the military personnel.

Signed Sandra Reid

PS: On a personal note,

Thank you so much for re-evaluating.
