MEMORANDUM FOR OSD BRAC CLEARINGHOUSE

SUBJECT: OSD BRAC Clearinghouse Tasker 0661C – Question on Contractors

1. Reference email, 21 July 2005 , Marilyn Wasleski, BRAC Commission Senior Analyst, subject as above.

2. Issue/Question:

I was not sure who to ask this question of so I am sending it to everyone. At DFAS Columbus, Denver, and Indianapolis, how many contractor employees are on site today, and how many do you anticipate housing at each location under the DFAS BRAC consolidation plan?

Response:

a. As of 31 March 2005, the number of contractors are as follows:

DFAS Locations	Contractor
Columbus, OH	118
Denver, CO	96
Indianapolis, IN	420

b. The DFAS programmed personnel numbers for FY 2011 represented an all-inclusive workforce view, which was used to define the end-state space requirements for DFAS. DFAS indicated they were unable to predict their FY 2011 contractor requirements. To avoid overestimate of space requirements, DFAS requested the POM FY 2011 personnel numbers be used for their BRAC end-state because contractors do not need to be housed in government space and because shift work is possible.

3. Coordination: Mr. Chittick, DFAS, 3 August 2005.
