The Honorable James H. Bilbray

I am writing to you in regard to the Closure of Cannon Air Force Base in Clovis, New Mexico. I own + operate B+M Auto Sales in Portales, New Mexico - a small rural community near Cannon. Closure of Cannon would mean certain closure of my Business B+M Auto Sales. The many service men + women from Cannon are vital to the existence of Portales + my business.

I ask that the decision to
Close Cannon be reevaluated
& consideration of how this will
affect our economy be considered.

Respectfully

Phillip Buca
