Dear BRAC

you are on the Right track. now finish it. OK. It is so sicking to hear how greedy all these People are, not one has mentioned what good Cannon does, all they are worried about is losing their son in law are thier BX, the money saved could so much be better used Elsewhere not that Katrina Has Caused so much Havoc, there are some Canadian co's looking for a place to build Planes. Amarillo has the Osprey and Bell Helicopter their is so much Potential for some mfg to come in here. I'm sorry for all the greedy folks here. Hope you can see thru all this.
