My NAME is MARY GARCIA I am A former Kelly AFB employee in SAN Antonio TX. BRAC closed down KAFB in 1995 & NOW they Are closing BROOKS AFB & Wilford HALL Hospital in San Antonio I worked @ NAVAL AIR STATION in Corpus Christi (NOT Kingsville) HALF of the AIR STATION is NAVY & the other half is the Corpus Christi Army Depot. I cannot believe that Place has managed to Stay open, considering the mess they make repairing Helicopters the Primitive tools they use, etc. BRAC needs to find some other place to SHUT down & Leave San Antonio alone. We need our remaining Installations
