Dear Honorable Anthony J Principi

I am writing you concerning the closing of Cannon Air Force Base. Please reconsider your decision.

Please, remember these points. Soon, we will be able to offer pilots to fly supersonic during training missions. Our sunny weather provides year round training. The Melrose bombing range is just seconds away from the Cannon runway. Cannon has plenty of land around it with much room to expand.

Our local area has bought land and given it back to the Air Force for housing and military use. Portales + Clovis both work closely with Cannon.

The closing of this base will be devastating to eastern New Mexico economics.

Thank-you!
