Dear Sir:

This letter is about your closing the Cannon Air Force Base.

This will put a big hardship on a lot of retiries and their dependents. As they will have to travel 245 miles to Albuquerque for medications and comessarie privalages.

A lot of these are widows and widowiers. That are unable to make such a long trip 4½ hrs.

People from Lubbock and Soundering area, Roswell and the area around, Amarillo, Tucumcari all use the Base facility.

We here in Clovis feel safe knowing the Base is protecting us from the terriorist and we are very proud of our Base.

It will put a lot of Civilian workers out of a job. A lot of those civilian workers are sole supporters and it would be a big hardship one these people.

Our Base Familys are very important to all of us. we are very proud of them.

Thank you
