

DEPARTMENT OF THE NAVY

OFFICE OF THE SECRETARY
 1000 NAVY PENTAGON
 WASHINGTON, DC 20350-1000

07 September 2004

MEMORANDUM FOR ACTING UNDER SECRETARY OF DEFENSE (ACQUISITION,
 TECHNOLOGY AND LOGISTICS)

Subj: PROVISION OF CERTIFIED DEPARTMENT OF THE NAVY DATA TO THE
 BRAC 2005 JOINT CROSS SERVICE GROUPS - Data Call 3: E&T
 MILVAL, 05 August 2004

Encl: (1) Department of Navy Activities with Certified Data -
 Data Call 3: E&T MILVAL, 05 August 2004
 (2) Department of Navy Activities with Data Yet to be
 Certified - Data Call 3: E&T MILVAL, 05 August 2004

In compliance with both the Office of the Secretary of Defense (OSD) Internal Control Plan (ICP) for the Base Realignment and Closure Process, Appendix B to Under Secretary of Defense (Acquisition, Technology and Logistics) Memorandum "Transformation Through Base Realignment and Closure (BRAC 2005) Policy Memorandum One - Policy, Responsibilities, and Procedures," dated 16 April 2003, and the Department of the Navy Procedures for Certification of BRAC 2005 Information, enclosure (1) to Secretary of the Navy Memorandum "Internal Control Plan for Management of the Department of the Navy 2005 Base Closure and Realignment (BRAC) Process Policy Advisory Two," dated 27 June 2003, this memorandum is a certification of Department of the Navy (DON) data provided to the Joint Cross Service Groups (JCSGs) for their use in analyzing common business support functions. The data consists of certified responses to Data Call 3: E&T MILVAL issued on 05 August 2004. This data call issued a single question for the Flight subgroup that was inadvertently left off the original Data Call 2. This data is being provided to the JCSGs via the DON Base Information Transfer System (DONBITS) and Military Value Analysis Database (MAD).

Enclosure (1) provides the list of 13 DON activities for which we are providing certified data in response to the E&T MILVAL Data Call. Cumulative total of responding activities for this data call is now 29 activities (99% of the DON universe of activities receiving this data call). Enclosure (2) provides the single DON activity for which we are not providing certified MILVAL data at this time. Certified MILVAL data from this remaining activity is not included in this transmittal because the data is not completely through the certification chain. We expect this activity's data call response to be transmitted to OSD on 13 September 2004.

Subj: PROVISION OF CERTIFIED DEPARTMENT OF THE NAVY DATA TO THE
BRAC 2005 JOINT CROSS SERVICE GROUPS - Data Call 3: E&T
MILVAL, 05 August 2004

Subject to the foregoing, I certify that the information is
accurate and complete to the best of my knowledge and belief.

Anne Rathmell Davis
Special Assistant to the Secretary of the Navy
for Base Realignment and Closure

cc:
Chair, E&T JCSG
O-6/GS-15 Lead, E&T JCSG
Navy & Marine Corps E&T JCSG Principals
