

DEPARTMENT OF THE NAVY
 OFFICE OF THE SECRETARY
 1000 NAVY PENTAGON
 WASHINGTON, DC 20350-1000

29 November 04

MEMORANDUM FOR ACTING UNDER SECRETARY OF DEFENSE (ACQUISITION,
 TECHNOLOGY AND LOGISTICS)

Subj: PROVISION OF CERTIFIED DEPARTMENT OF THE NAVY DATA TO THE BRAC
 2005 JOINT CROSS SERVICE GROUPS

Encl: (1) Department of Navy Activities with Corrections to Data Call 1 (DataCall 1-29) and
 Supplemental Data Calls
 (2) Department of Navy Activities with Corrections to Data Call 2 (DataCall 2-15)
 (3) Department of Navy Activities with Corrections to Education & Training MILVAL
 (Supplemental)

In compliance with both the Office of the Secretary of Defense (OSD) Internal Control Plan (ICP) for the Base Realignment and Closure Process, Appendix B to Under Secretary of Defense (Acquisition, Technology and Logistics) Memorandum "Transformation Through Base Realignment and Closure (BRAC 2005) Policy Memorandum One – Policy, Responsibilities, and Procedures," dated 16 April 2003, and the Department of the Navy Procedures for Certification of BRAC 2005 Information, enclosure (1) to Secretary of the Navy Memorandum "Internal Control Plan for Management of the Department of the Navy 2005 Base Closure and Realignment (BRAC) Process Policy Advisory Two," dated 27 June 2003, this memorandum is a certification of Department of the Navy (DON) data provided to the Joint Cross Service Groups (JCSGs) for their use in analyzing common business support functions. The data consists of corrections to certified responses to issued data calls. Enclosure (1) provides the activities and questions where corrections have been provided for the first data call, issued on 6 January 2004 and for supplemental data calls issued for the first data call. Enclosure (2) provides the activities and questions where corrections have been provided for the second data calls, issued from June to July 2004.

In addition to the corrections, we are sending first time data to the Education & Training JCSG for the following:

Data Call 4: E&T MILVAL (Supplemental) issued on 12 November 2004 - Enclosure (3) provides the list of 34 DON activities for which we are providing certified data in response to the E&T MILVAL (Supplemental) Data Call.

During the course of our initial quality review of the data in the two E&T MILVAL Data Calls, we discovered no areas where we believe the data is incorrect, incomplete, or in need of further clarification. However, we anticipate that other areas of concern will be identified as we continue our quality assurance process. The E&T JCSG may also find during the course of its own analysis of the data, additional areas requiring clarification or supplementation, and request additional data be collected. Updated certified data will be collected by the IAT and provided to the E&T JCSG as it becomes available.

Subj: PROVISION OF CERTIFIED DEPARTMENT OF THE NAVY DATA TO THE BRAC
2005 JOINT CROSS SERVICE GROUPS

All data identified in this memo is being provided to the JCSGs via the DON Base Information Transfer System (DONBITS) and the Capacity Analysis Database (CAD) and Military Value Analysis Database (MAD).

Subject to the foregoing, I certify that the information is accurate and complete to the best of my knowledge and belief.

Anne Rathmell Davis
Special Assistant to the Secretary of the Navy
for Base Realignment and Closure
