MEMORANDUM FOR CHAIRMAN, HEADQUARTERS & SUPPORT ACTIVITIES
JOINT CROSS SERVICE GROUP

Subj: HEADQUARTERS AND SUPPORT ACTIVITIES (HSA) JOINT CROSS SERVICE
GROUP PROPOSALS

A staff review of your scenario proposals, provided with your 09 Sep 2004 memorandum, has been completed and initial comments are being forwarded to Col Coulson and Col Sachs by separate correspondence. The comments do not constitute a Department of the Navy position, as they have not been discussed within a Department deliberative session. The intent of the comments is to provide initial staff level reaction and is not intended to replace the deconfliction process, which OSD will coordinate in the upcoming weeks.

In general, I find many of the proposals very interesting and worthy of further analysis. I also find that several of the proposals may require "policy" decisions to get to final analytic results. I encourage you to seek OSD guidance on how to address these issues.

I appreciate the opportunity to comment on the proposals. Department of the Navy proposals have just begun to formulate and will be shared utilizing the OSD Scenario Tracking Tool as soon as our deliberative body, the Infrastructure Evaluation Group, has reviewed and concurs with them.
