**MEMORANDUM FOR INFRASTRUCTURE STEERING GROUP MEMBERS
CHAIRMAN, EDUCATION AND TRAINING JOINT CROSS-
SERVICE GROUP
CHAIRMAN, TECHNICAL JOINT CROSS-SERVICE GROUP**

SUBJECT: Chairman of the Education and Training Ranges Subgroup

On June 24, 2003, the Secretary approved the Joint Cross-Service Group functions, organization, and metrics that will receive cross-service analysis, as modified by the Infrastructure Steering Group (ISG) and Infrastructure Executive Council (IEC). One modification recommended by the ISG and IEC was that a separate Ranges subgroup be formed under the lead of the Education & Training JCSG to address all collective training and range functions, including testing and evaluation. This recommendation further stipulated that the Ranges subgroup include members from and be supported by both the Technical and the Education & Training JCSGs and that the leadership of this subgroup should come from a military Service.

I am designating Lieutenant General Jim Lovelace, Director Army Staff, as the Chair of the Ranges subgroup.
