**MEMORANDUM FOR ASSISTANT SECRETARY OF NAVY  
(INSTALLATIONS AND ENVIRONMENT)**

**SUBJECT: Alternate Membership to the Infrastructure Steering Group (ISG)**

Thank you for the opportunity to respond to your request to designate additional alternates for all Department of the Navy positions on the ISG. I recognize the demand the Base Realignment and Closure (BRAC) process places on the Department's senior leadership. However, I believe that maintaining the continuity in senior leadership participation across the Department to guide BRAC requires we maintain the current policy.

We will continue to make every effort to schedule ISG meetings far enough in advance to mitigate scheduling conflicts. If the primary ISG member or their alternate is not able to attend, please notify my staff of the individual who will represent their interests as a general audience attendee.
