The Honorable James V. Hansen  
BRAC Commission  
2521 South Clark Street  
Suite 600  
Arlington, VA 22202

Dear Commissioner Hansen:

I am writing to express my great concerns about the possibility of the closing of Cannon Air Force Base.

Cannon Air Force Base is a huge asset to our national security and to Clovis and the surrounding communities. The weather in this area provides for year round training. The unencroachable airspace is ideal for training pilots in supersonic flying. Also, Cannon has ample space and facilities to accommodate training or emergency situations that may arise. The Melrose bombing range is also near by. This provides realistic training situations.

Cannon's impact on Clovis and the surrounding area has been huge. All of the surrounding communities support and appreciate the financial impact Cannon has made. Almost every business in this area has been positively impacted by the business received from the base. Restaurants, gas stations, grocery stores and recreational facilities in Fort Sumner are greatly impacted by visiting members of the base as are all other communities in this area.

We have a large population of retired military personnel living in this area who rely on Cannon for grocery shopping, healthcare and other benefits. Closing the base would force this population to travel hundreds of miles to receive these benefits.

Clovis and the surrounding areas have always supported the base. Local government and residents have donated land, money and time to help promote the needs of the base and will continue to do so.

In conclusion, I wish to ask you to keep Cannon open for the good of the nation and my community.

Sincerely,

Jody Reeves  
PO Box 192  
Fort Sumner, NM 88119
