RE: Cannon Air Force Base

Dear Brigadier General Turner:

I urge you to remove Cannon Air Force Base off the possible military base closures list.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

The Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, and consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Hannah Kennon

Arlington, Virginia 22202

Dear Mr. Hansen:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Dear General Newton:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Cannon will also provide the extra security needed for Pantex in Amarillo, TX, Sandia Labs in Albuquerque, and White Sands Missile Range in Alamogordo, NM
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. Suite 600
Arlington, VA 22202

Dear Commissioner Bilbray:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I have lived in the area for 47 years and Cannon AFB is a big part of Eastern New Mexico.

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the leaders within our community spear-headed the effort to expand and convert the air space to supersonic capability through the New Mexico Training Range Initiative. We have reached out and supported the Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Cannon will also provide the extra security needed for Pantex in Amarillo, TX, Sandia Labs in Albuquerque, and White Sands Missile Range in Alamogordo, NM
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. In today's society, I believe we need to keep our military bases open in strategic areas to provide better protection for the United States and keeping Cannon open would not leave such a big area unprotected. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Vicki Bowery

Arlington, VA 22202

Dear Commissioner Coyle:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Cannon will also provide the extra security needed for Pantex in Amarillo, TX, Sandia Labs in Albuquerque, and White Sands Missile Range in Alamogordo, NM
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Stella Chavez

Re: Removing Cannon Air Force Base from the Closure List

Dear Brigadier General Turner:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. - Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Kelly Lawler

Dear Commissioner Skinner:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. RECEIVED
06032005

Dear General Hill:

I strongly urge you to reconsider the Department of Defense's recommendation that Cannon Air Force Base should be closed. Cannon Air Force Base should be removed from the BRAC closure list for many reasons. I have listed some of these reasons below:

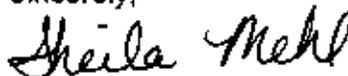

- Cannon does not fit the criteria provided for base closure.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy
- Cannon Air Force Base brings people of all cultures into our community. Because of this our community is more diversified, and we are able to share in the knowledge of people from all over the United States.
- Closing Cannon will have a devastating impact on our economy. It has been estimated that our area will lose at least 20% of its workforce, a percentage out of line with the effect of base closings in other communities. Cannon is critical to our community.
- Clovis, Portales, Eastern New Mexico, and West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These retirees rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

The Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. The following are some examples of how the community has shown its support of Cannon Air Force Base:

- Within the last few years, our community purchased land west of Cannon and GAVE it back to the Air Force for the installation of instrument lighting on the alternate runway at the base.
- Leaders within our community spear-headed the effort to expand and convert the air space to supersonic capability through the New Mexico Training Range Initiative.

In summary, Cannon Air Force Base is very important to our community! I ask you to please come to the Cannon hearing in Clovis, and reconsider Cannon's importance to my community and to the nation as a whole. Please, let us KEEP CANNON!

Sincerely,

Sheila Mehl

- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Bob Rostro

1. Cannon Air Force Base is a unique facility that provides a wide range of training and support capabilities for the Department of Defense. The base's location in Eastern New Mexico provides a year-round training environment that is not available at other installations.

2. Cannon Air Force Base has a long history of providing support to the Department of Defense. The base's facilities and personnel have been instrumental in the success of many military operations.

3. Cannon Air Force Base is a vital part of the Eastern New Mexico community. The base's presence has created jobs and provided a source of pride for the region. The base's closure would have a significant impact on the community.

4. Cannon Air Force Base is a key component of the Department of Defense's surge force capabilities. The base's ample space and facilities are essential for the training and support of surge forces.

5. Cannon Air Force Base is a unique facility that provides a wide range of training and support capabilities for the Department of Defense. The base's location in Eastern New Mexico provides a year-round training environment that is not available at other installations.

RECEIVED

The Honorable James H. Bilbray
BRAC Commission
2521 South Clark Street
Suite 800
Arlington, VA 22202

Dear Commissioner Bilbray:

I urge you to overturn the Department of Defense's BRAC recommendation to close Cannon Air Force Base.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- The weather in Eastern New Mexico provides year round training ability.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Cannon has ample space/ramp space to accommodate surge force requirements in training and emergency situations
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.

In summary, the Clovis, Portales and surrounding communities have reached out and supported Cannon Air Force Base like no other community over the last 50 years. We've done so financially, morally, spiritually and above all consistently. The continued operation of Cannon Air Force Base is not only extremely important for this region, but for the Nation as a whole. Respectfully, I urge you to vote to remove Cannon Air Force Base from the BRAC closure list.

Sincerely,

Bob Rostro

RE: Cannon Air Force Base

Dear Chairman Principi:

I urge you to remove Cannon Air Force Base off the possible military base closures list.

Cannon Air Force Base should not be on the BRAC closure list for many reasons. I've listed some of the key reasons below:

- Cannon does not fit the criteria provided for base closure.
- Cannon has an abundance of air space and no encroachment issues. This provides for safer and more realistic training scenarios for pilots.
- The weather in Eastern New Mexico provides year round training opportunities.
- Cannon has the space and facilities to accommodate joint war-fighting, training, and readiness as was evidenced by the recent joint training effort between Cannon and the US Navy.
- Clovis, Portales, Eastern New Mexico, West Texas (including Amarillo and Lubbock) are home to a large military retiree population. These people rely on Cannon Air Force Base for healthcare, grocery shopping, and more. There is not another installation close by to serve our retired military.
